Hertsmere Leisure is a registered charity and a company limited by guarantee and currently manages leisure facilities in partnership with Hertsmere Borough Council, Three Rivers District Council and Milton Keynes Council. It is also the Lead Agency for nineteen Sure Start Children's Centres in Hertfordshire. Its turnover is now in the region of £17 million and it employs almost 1000 staff.

The organisation has operated successfully for over 12 years and the current Board is looking to increase its membership with someone who has skills to complement those already available to provide strategic direction and support for the management team. This will involve attending Board meetings (around 6 per year), with the potential to be a member of the Board's sub committees as well as being able to offer advice and support to an enthusiastic management team.

In addition, the Board is seeking future Trustees to support the work of the board and Management team as active company members, with bespoke skills and experience willing to support Trustees on committees as co-opted members.

These are unpaid positions other than reimbursement of reasonable expenses, however, it offers a rewarding experience with involvement within an innovative, community and commercially aware organisation. Hertsmere Leisure is striving to be the best provider of leisure and children's centres in the locality and to positively enhance the health, wellbeing and future of our communities.
